Our work with pupils who bully or discriminate against others

We interview the pupil (or pupils) involved in bullying separately

We listen to their version of events and talk to anyone who may have witnessed the bullying

We reinforce the message that bullying is not acceptable, and that we expect it to stop

We seek a commitment to this end

We affirm that it is right for pupils to let us know when they are being bullied

We consider sanctions under the School's Behaviour/Discipline Policy

We advise pupils responsible for bullying that we check to ensure that bullying stops

We ensure that those involved know that we have done so

When unacceptable behaviour occurs, we contact the parents of the pupils involved at an early stage

We follow up after incidents to check that the bullying has not started again

We work with pupils who have been involved in bullying others to ascertain the sort of support that they need

Sensitive sharing of appropriate information with key school staff

HOW WE WILL DEAL WITH BULLYING BEHAVIOUR OUTSIDE THE SCHOOL PREMISES AND/OR CYBERBULLYING

We know that bullying behaviour can occur outside the school gates and via mobile phones and social network internet sites. The bullying behaviour may be done by pupils from our own school, by pupils from other schools or by people who are not at school at all. We take these issues seriously and we would tackle any instances that we are made aware of

- Talk to pupils about how to avoid or handle bullying behaviour outside of school
- Make pupils aware of the impact of using social networking sites or mobile phones to be involved in bullying behaviour or discrimination against other/s
- Involvement of parent/carer where appropriate.
- Talk to the Headteacher of another school whose pupils are allegedly using bullying behaviour
- Talk to the police if appropriate
