Dear Parents/ Carers,

I hope you received my last email with details of Transition.

Today, I have attached the 'Transition Overview' which gives you an outline of when key information will be shared. As you will be aware, Covid Regulations are continually changing so there may be some adaptations to the Overview, but I will inform you of any changes as soon as possible. There will also be additional information sent at various points, so please keep an eye on your emails.

Each week, I will also be sending a plan of 'The Smeds and The Smoos' Storyline and some activities we have been doing/or plan to do in Nursery - This week it will include a video recording of myself reading 'The Smeds and The Smoos' book. For any children coming from Nurseries outwith Carrick Knowe, 'The Smeds and The Smoos' should also be part of their nursery Transition Programme but please feel free to look at the Carrick Knowe Activity Plan and use any ideas you wish at home.

As always, if you have any questions, please contact me using the email below:

Many Thanks  
Catriona Iley
